

Getting Started with Montana Library2Go—Ebooks

Downloading Adobe Digital Editions

- Open your web browser (Firefox, IE, Safari or Chrome)
- Go to the Library's home page: bitterrootpubliclibrary.org
- Select Montana Library2Go from the main menu at the top of the page
- You will be taken to the Montana Library2Go home page
- Find the section labeled "Software Downloads" in the left sidebar (you may need to scroll down)
- Click on the link "Adobe Digital Editions"
- You will be taken to the download page for Adobe Digital Editions
- Click on the box that says "Install" (you may need to scroll down)
- Your computer will download the installation files and an install wizard will start
- Use the install wizard to choose your desired installation settings
- Adobe Digital Editions should launch after installation is completed

Setting Up Adobe Digital Editions

- The screen should display the "Set-Up Assistant" which will help you configure Adobe Digital Editions
- If you have an Adobe ID, enter your information; if you do not have an Adobe ID, click on "Get an Adobe ID online"
 - Once you click "Get an Adobe ID online," you will be taken to an Adobe website where you can create an account
 - Fill in the required information for the account
 - Go back to Adobe Digital Editions and enter your account information
- Once you've entered your Adobe ID and password, click "Activate"
- Adobe Digital Editions should now be set up

Downloading an Ebook into Adobe Digital Editions

- Navigate back to the Montana Library2Go home page
- Log in to Montana Library2Go using your library barcode number
- Find a book that is available in the Adobe ePub format
- Click on "Add to Cart"
- Once in the cart, click on "Proceed to Checkout"
- Choose your lending period (7 or 14 days) and click "Confirm Checkout"
- Click "Download"
- The computer should open Adobe Digital Editions and download the book
