

## Downloading an Ebook or an Audiobook onto a Phone or Tablet Using the Overdrive App

### Downloading

- Download the Overdrive App from the App store
- Open the app
- Tap on “Get Books +” in the top right corner of the app
- Tap on “Add a Library”
- Enter your zip code and tap “Search”
- Tap on “Bitterroot Public Library”
- Tap on “Montana Library2Go”
- Tap on “Login,” select Bitterroot Public Library and enter your library card barcode number  
(The app is now set up with Montana Library2Go; in the future when you tap “Get Books +” a link to Montana Library2Go will be there and you will not need to search for your library)
- To download a book, tap on the “Home” button at the top of the screen and use the featured selections or tap on the “Search” button at the top of the screen and do a search for a particular item
- If the book is available, there will be an “Add to Cart” button; tap this button to add the item to your cart (if the book is unavailable, there will be a button that says “Place a Hold”)
- Once in the cart, tap “Proceed to Checkout”
- Tap “Confirm Checkout”
- Tap “Download”
- You will be returned to the Bookshelf screen within the Overdrive App and will need to wait while the item downloads
- Once downloaded, just tap the title of the book to be taken to the text or the audio

### Returning

- Once done with an item, simply swipe your finger from left to right over the title of the book
- Tap the red “Delete” box
